# GLOBAL EDUCATION FUND

EDUCATION FOR ALL

# 168 MILLION

## STUDENTS OUT OF SCHOOL

It has been calculated that 168 million\* students worldwide have gone more than a year with their schools being closed due to the pandemic.

Students worldwide are at risk of falling behind on their education and those who are most vulnerable are at risk to lose the most.

Continue reading to Learn More about our Global Education Fund and how Connect Global is working to ensure everyone has access to education.

“

**“More than 72 million children of primary education age are not in school and 759 million adults are illiterate and do not have the awareness necessary to improve both their living conditions and those of their children.”**

– HUMANIUM.ORG

”

**EDUCATION CAN BE HARD TO  
COME BY AROUND THE WORLD.**

**TOGETHER, WE CAN MAKE IT  
EASIER.**

We at Connect Global are doing our part to help students stay enrolled, return to the classroom, and receive the life-changing education they deserve.

Students worldwide are at risk of falling behind on their education and those who are most vulnerable are at risk to lose the most.

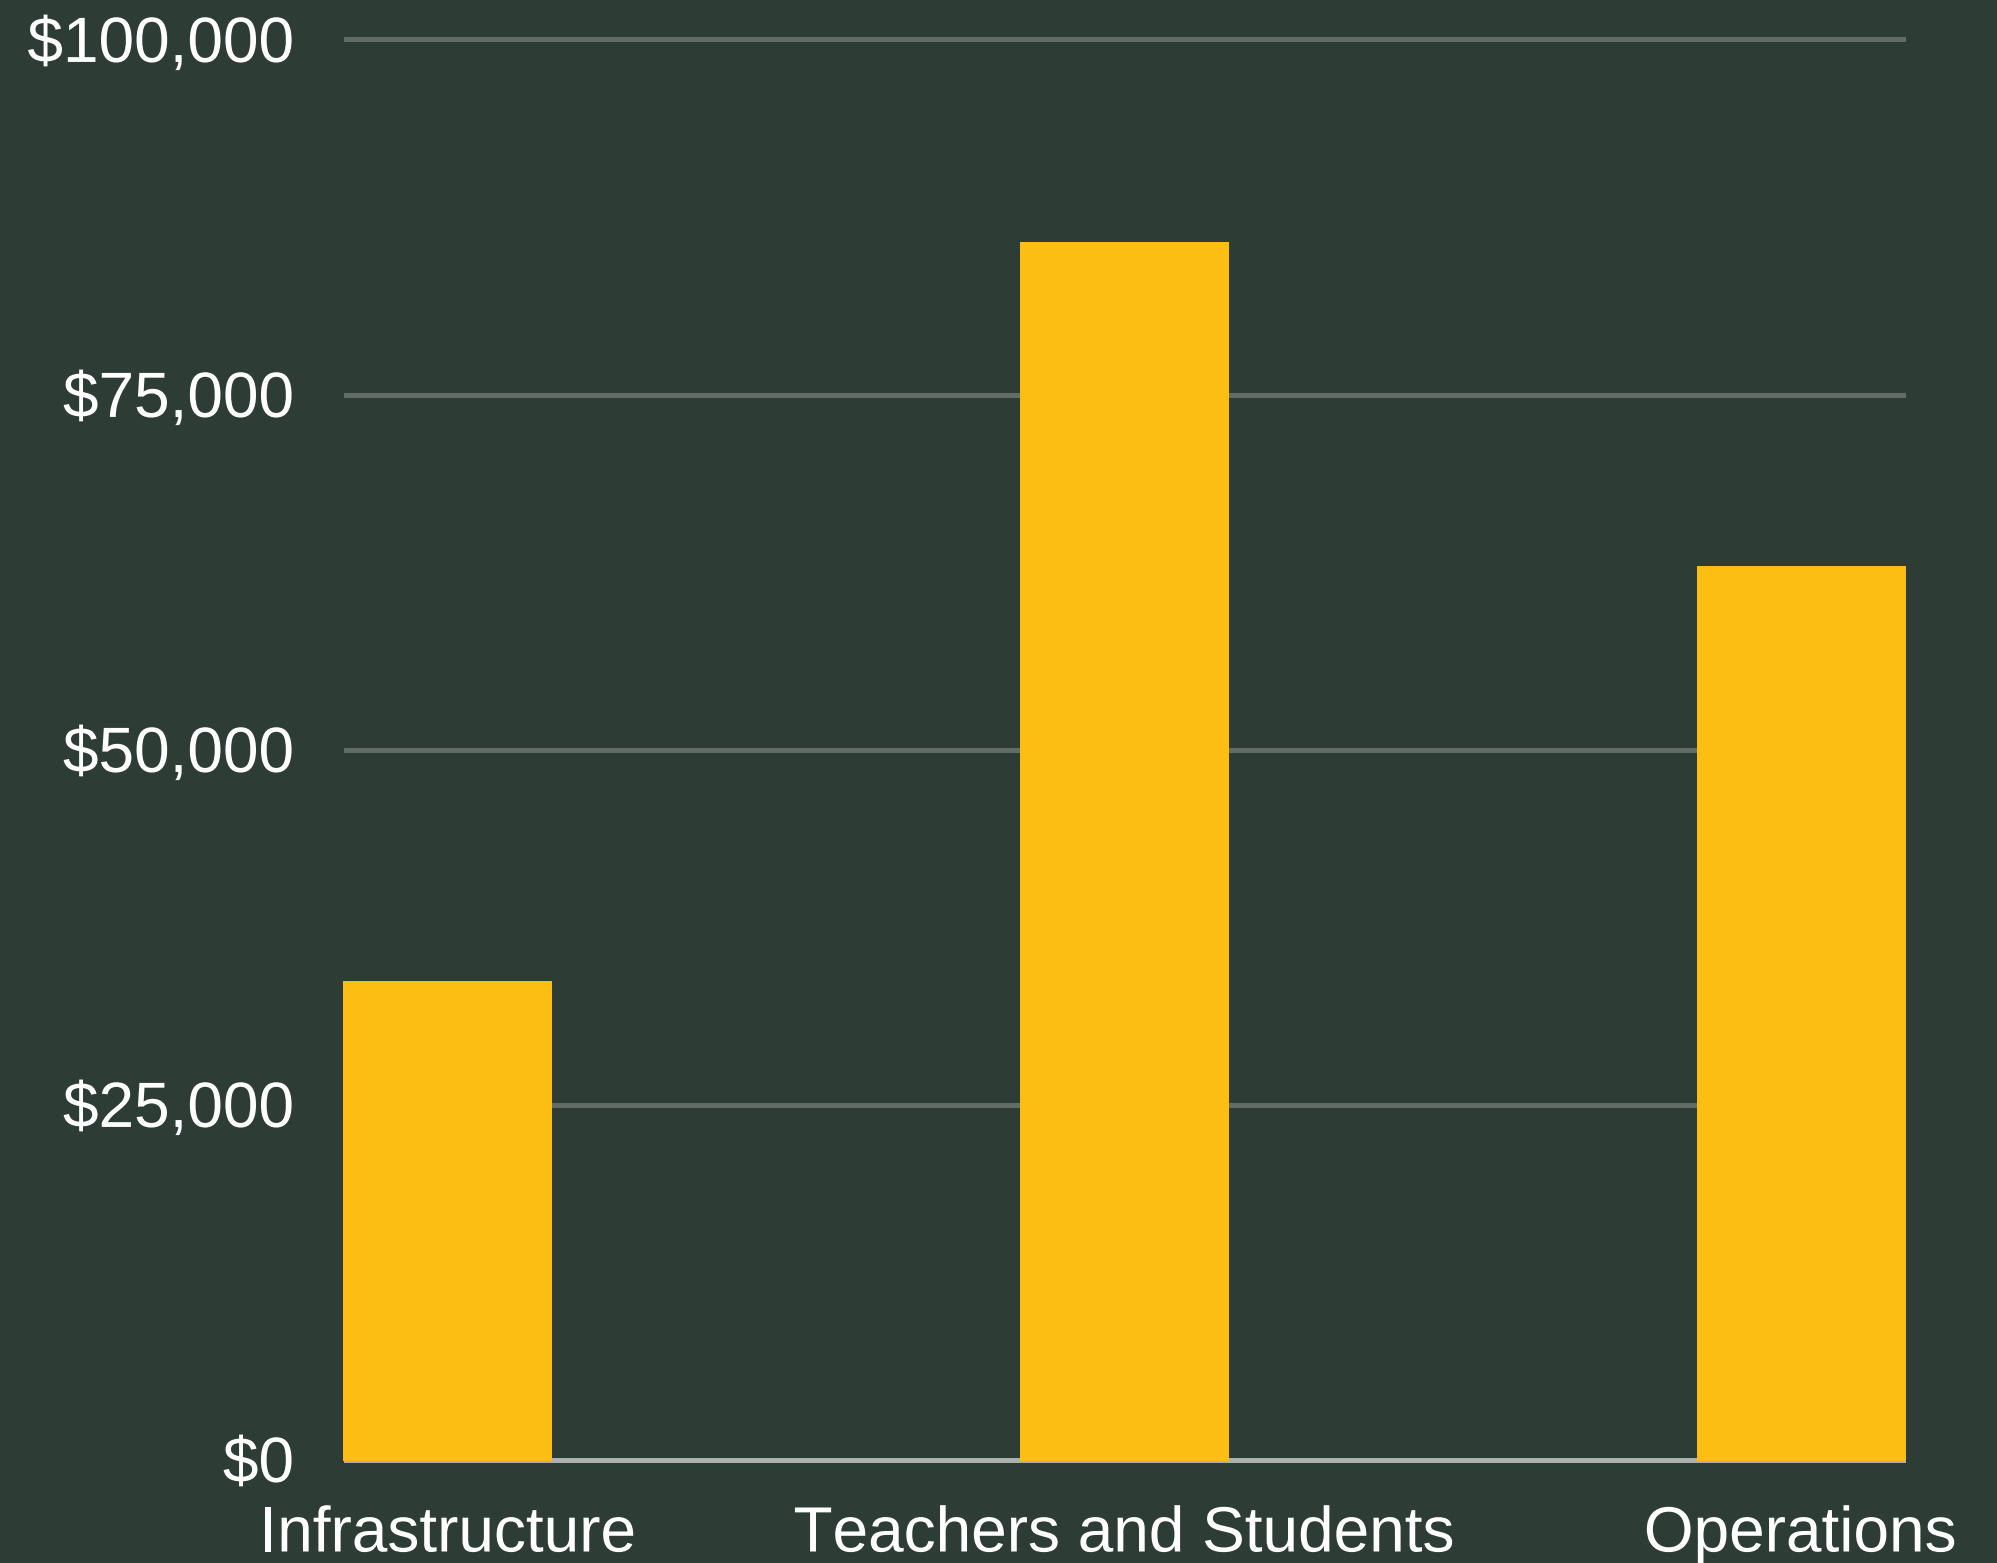

Connect Global wants to change this by growing our Global Education Fund to get kids back on track. Continue reading more about our expanding Global Education Fund and how we are working to ensure each of our students has access to life-changing education.

# SUCCESS EVERYDAY

**TOGETHER WE  
INVESTED OVER  
\$182K INTO  
EDUCATION**

Connect Global provided logistical support, aided in classroom construction and rehabilitation efforts, and provided clean water access to schools. We have awarded full and partial scholarships to over 200 students since 2017.

# The Global Education Fund provides education and so much more

1

## STUDENT SCHOLARSHIPS

Full and partial scholarships are awarded to help keep kids who are most vulnerable to dropout of school.

3

## COMMUNITY DEVELOPMENT

Working with leaders, churches, and businesses we can share the responsibilities and successes of a more education-focused community.

2

## TEACHER SUPPORT

We invest in teachers and educators through grants, payroll assistance, and continuing education programs.

4

## ECONOMIC STIMULATION

While investing in education certainly has individual benefits, the community at large is improved when teachers and administrators are employed.

“

**“Education is the most powerful weapon which  
you can use to change the world.”**

– NELSON MANDELA
